

## Three Men Killed In Head-On Crash

Two Grayling youths, Allen Failing and Kevin LaMotte, both 19, and a 32-year-old Coleman man were killed in a two-car head-on accident on M-93 early Saturday morning.

Injured in the crash were Michael Crouch, 17, of Grayling, Dennis Callison, 23, of Coleman, and Paul Conti, 32, of Mt. Pleasant. The three injured were taken to Grayling Mercy Hospital and Crouch was transferred to Saginaw St. Mary's. The Coleman man killed was Kenneth Tucker.

The two cars allegedly collided head-on at about 5:55 a.m. in the hilly section of M-93 near Camp Grayling. The Jaws of Life were used by the Grayling Fire Dept. to free one of the victims. Obituaries for Failing and LaMotte are printed inside.

### Thanks To Boosters

### Hanson Park Lodge To Get Much Needed Roof

Thanks to the Grayling Youth Boosters, the lodge at Hanson Park will have a new roof this fall. For some time the roof has been bad and has leaked in several places. The leaks have been repaired, only to leak again. In the past, funds have not been available to re-roof the lodge, but at their annual banquet, Booster Club President Larkin Baker presented Park Manager Howard Taylor with a check for \$2500.00. The money will be used to purchase supplies needed to re-roof the lodge. The work will be accomplished by the Hanson Park Maintenance Crew assisted by a work crew from Camp Showono.

Many other repairs have already been accomplished on the lodge building. The entire back and both ends have received a new coat of paint as have all the tow shacks and the fences around the ski tows. Two areas in the lodge have received new ceilings and most of the floors are soon to be painted. The rental shop has been completely remodeled and more lockers have been constructed and painted. A store area has been installed and the bathrooms have been completely repainted. We cordially invite the members of the community to come out and see the work which has been thus far accomplished.

## Speaker for Chamber Banquet October 21st

The featured speaker for the annual Grayling Regional Chamber of Commerce banquet will be Dr. William P. Shulhof, technical director at the Central Foundry Division of General Motors.

In 1975, Shulhof received an Award of Scientific Merit from the American Foundrymen's Foundation for noteworthy technological contributions to the society and industry.

Shulhof's topic for the chamber banquet will be "Meeting Change". The dinner will be held at the Grayling Holiday Inn on

Thursday, Oct. 21. The "attitude adjustment hour" will begin at 6:30 p.m. with dinner at 7 p.m. Tickets for the affair will be \$10 per person.

## Sweetest Day, Halloween, Christmas Show Oct. 16

A combined Sweetest Day, Halloween, and Christmas show will be held this Saturday, Oct. 16, at the Grayling Mini-Mall from 9 a.m. to 5 p.m.

More than 35 exhibitors displaying their handmade items will be at the show. A big bake sale and refreshments and lunch will also be sold with proceeds going to the Crawford AuSable Day Care Center. A Grab-it-Giveaway will be conducted from 9-5 with the price reduced on items every hour until they are free at 5 p.m. if not sold by then.

## ABWA Fashion Show Oct. 28

The Annual Fall Fashion Show sponsored by the Grayling Chapter of The American Business Women will be held October 28th at Scheys Country House.

The Fashion Show is the ABWA's big event of the year to raise money for local scholarships.

Because of ABWA Scholarships given by her local organization this year Cory Meech Dean received an outright grant from the national organization.

The Fashion Show will start at 7:30 p.m. and tickets are \$4.00.

## To Celebrate 50th Anniversary

George and Bernice Hilton of 800 Chestnut Street are celebrating their 50th Wedding Anniversary on October 15, 1982.

The couple, married October 15, 1932 in Plymouth, Michigan, have three children, eleven grandchildren and seven great grandchildren.

## Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 12-17 & 19 October 1982.

Firing will be performed in the following range areas:

The Small Arms Ranges located west of Lake Margrethe, north of Howe Rd., east of the gas pipeline and south of Portage Creek. (16-17 October 1982)

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97.

The ranges will be closed to the public during the period 12-17 & 19 October 1982 and all persons are warned to stay out of the areas identified.

## Chief Shoppenagon's Hotel Leads Way, Installs 120-Foot Windmill

by Jon Thompson

In 1882, Indian guide Chief David Shoppenagon led sportsmen through the wilds of northern lower Michigan trapping, hunting, and fishing.

A century later, the Grayling hotel named after Shoppenagon is again leading the way - blazing a new trail by becoming the first downtown business in northern Michigan to install a windmill.

Last weekend, the Chief Shoppenagon Motor Hotel erected a 120-foot windmill expected to supply as much as one-third of all their electricity needs.

The three bladed windmill, supported by three legs, starts producing electricity when wind speed hits 5 miles an hour. The huge blades, 23 feet in diameter, are capable of generating 10 kilowatts of electricity an hour if wind

speed reaches 25 miles an hour. Energy Resource Products, of Clio, who installed the windmill, said daily wind speed recorded in Michigan over the last ten years averaged 10.8 miles an hour.

The windmill is tucked in a corner of the hotel's north parking lot and hotel manager Arnie Maurer expects the windmill to be well worth the couple of parking

spaces the hotel gave up to install the windmill. He said the hotel electric bill runs from \$1000 to \$1,200 a month and the windpower could save up to \$400 each month.

Shoppenagon owner Theron White decided to install the first commercial windmill in Michigan north of Bay City after watching utility costs increase year after year. White, no stranger to windpower, built a windmill himself in 1935. He said if this windmill works out well, the hotel could install a second windmill.

Energy Resource Products said the price tag for a windmill the size of the one installed in Grayling runs from \$24,000 to \$30,000. A 25 percent tax credit is available from the federal government and a 40 percent tax credit is available from the state.

The windmill was placed together on the ground during the weekend and hoisted in place by a crane Monday. And the reputation of Chief Shoppenagon as a trail-blazer continued as the huge blades slowly began twirling.

## Why American Red Cross?

by Harrison Goodhue

Under this headline last week we said we would tell you this week about Red Cross Disaster Relief, the second mandated responsibility of American Red Cross by the Congress of the U.S.:

"...to provide immediate relief to the victims of natural or man made disasters by providing food, clothing, shelter and medical care until the normal government or private sources for permanent relief can function."

A disaster - in this concept - is a fire; a flood; a windstorm, tornado or hurricane; an explosion, a tidal wave; a volcanic eruption; or any natural or man caused calamity in which one or more families lose their homes and all their possessions.

If many families are involved, or more than one community, or more than one state, the disaster is classified as "national". Regardless of size,

## Nursing Home Would Employ 70 Persons

A proposed 120-bed nursing home for Grayling would create 70 new jobs.

Convalescent Management Inc., of Columbus, Ohio, is seeking state approval of their plans to build a \$2.3 million single-story facility within the Grayling City limits. The facility will serve long-term care patients from Crawford and Roscommon counties.

If plans for the facility, called the Grayling Health Care Center, are approved by the State Dept. of Health, construction could begin as early as next spring. The proposed completion date is Jan., 1984.

Before the state reviews the plans, a regional agency, Northern Michigan Health Systems, of Petoskey, will issue a recommendation on the proposal. Their board of directors will meet next Wednesday, Oct. 20, at the Chalet in Gaylord and the public is invited to attend to speak on the proposal.

## C-A Enrollment Drops Slightly

by Jon Thompson

Overall enrollment at Crawford AuSable schools declined by 47 students - dropping from 1845 for 1981-82 to 1798 for the 1982-83 school year.

The number of students in elementary grades increased by 28 from last year. The number of middle school students decreased by 27 and the number of high school students dropped by 48.

The fourth Friday enrollment count, mandated by the state, has lost much of its importance at C-A schools in the last two years because of the district is "out of formula" and receives no state aid. Before, when in state formula, the district received state aid based on

the enrollment.

Superintendent Kent Reynolds said the significance of the enrollment count now is with staffing projections. District projections for this year were only 27 students off the fourth Friday count. The Grayling Elementary has 18 more students than projected, but spread over all the classes, it amounted to about one more student for each classroom than predicted and has caused no change in staffing.

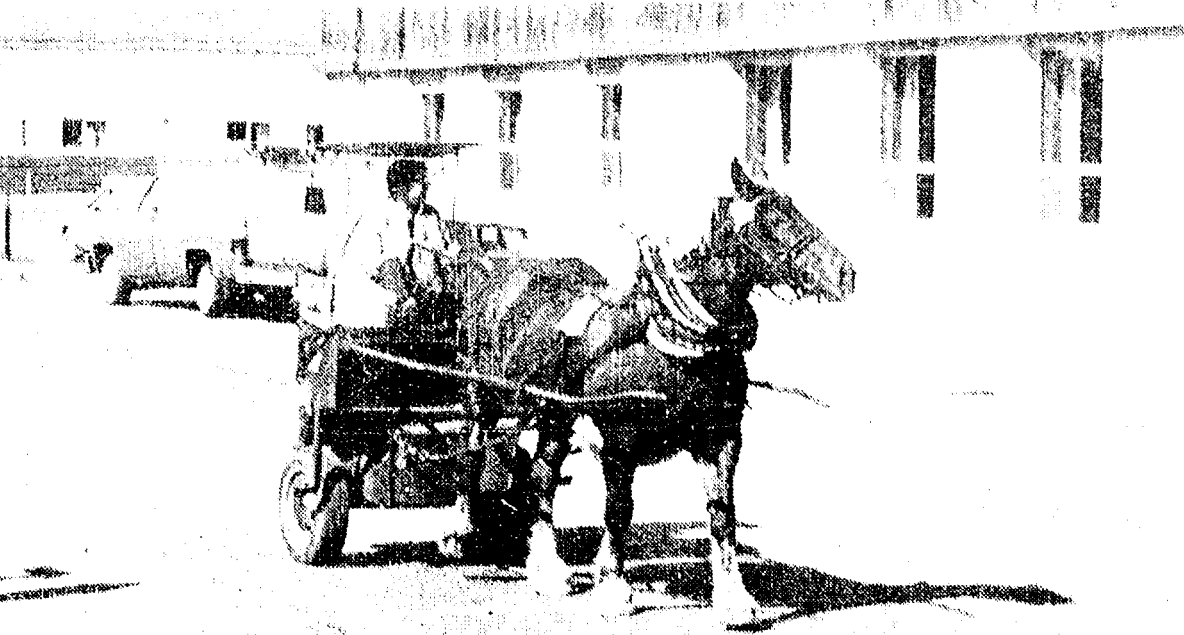

With the decline in students this year, the district hired back two less teachers from a total of 20-plus instructors laid off last year.

Grayling High School remains a class C school for the 1982-83 school year.

## Grayling Loses 13-6 to Gaylord

A last minute drive by Grayling was stopped with a quarterback sack on fourth down as the Vikings wound up on the short end of a 13-6 score with Gaylord.

Grayling scored first and kicked an extra point in the first half. Grayling came back on the 45-yard pass from Jim Stewart to Bob Keene to the five-yard line. Jim Hill swept around the right side for the touchdown.

Grayling tried a sweep with Hill to the left for the extra points to go ahead but it was stopped short. Grayling shut down the Blue Devils until a Viking fumble on a Gaylord punt gave the ball to them on the Viking's five-yard line. Gaylord pushed over the touchdown and missed an extra point attempt to give the Vikings one last chance.

Grayling took advantage of the opportunity with 2:19

left. They moved to Gaylord's 25 using running and passing plays. Mike Hickey gained 10 yards on a reverse and 17 on a pass from Stewart. Hill broke loose for 23 yards almost getting free for a touchdown.

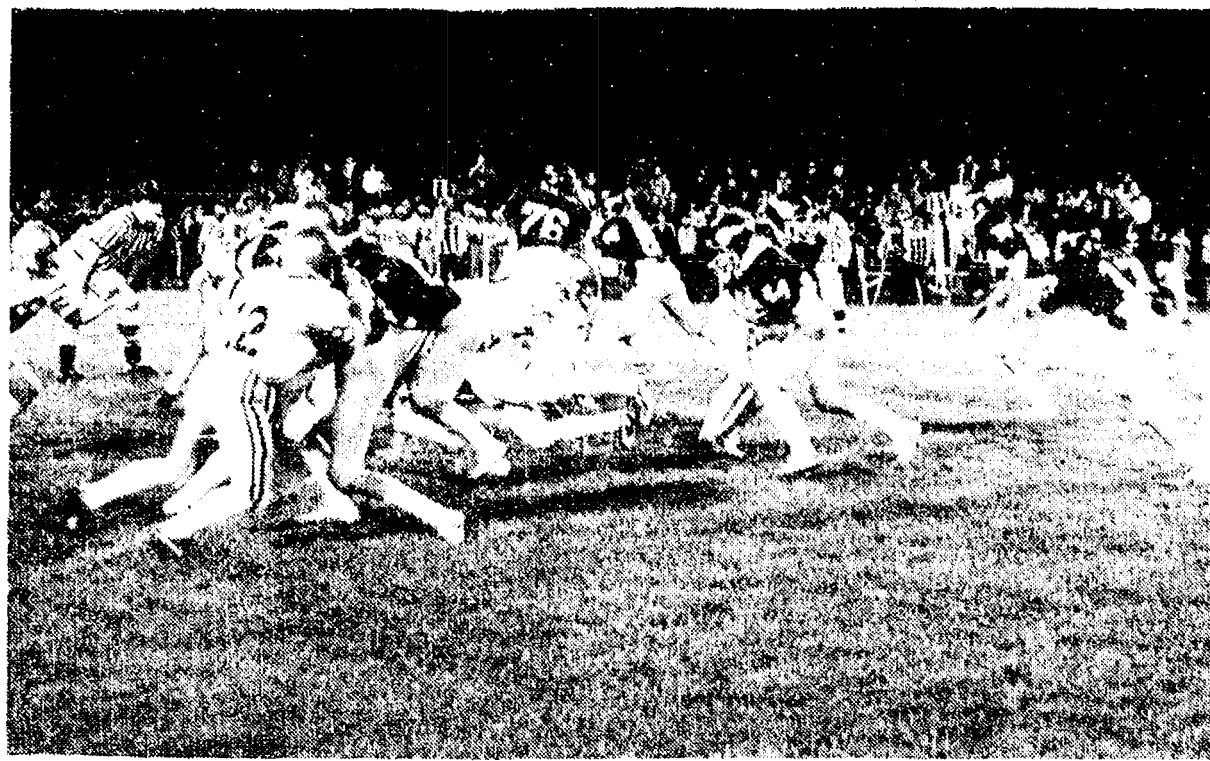

Then three incomplete passes and the fourth down sack stopped Grayling.

Head coach Bill Klinger said penalties throughout the game hurt Grayling offensively and defensively.

Hickey intercepted one pass and the Grayling defensive line recovered a fumble. Leading tacklers were Jeff Kea, Greg Helsel, Hickey, Barsie Cross, Joe Riddle, and Brad Emerick. Grayling heads for St. Ignace Friday.

Tuesday, Oct. 5. Forty persons attended the hour and fifteen minute public hearing with about a dozen persons, including Donald Laskowski, Clarence Conklin, Martin Bohn, Bernie Maurer, and Marion Wright, speaking out against taking the extra tax revenues created from increased S.E.V. values.

Harrison Goodhue spoke in favor of collecting the extra funds for the senior citizen center. A couple of citizens were in favor of rolling back the entire .5788 mills to offset the increased S.E.V. values.

### Building

(Continued from Page 1)

and receiving no response the members were selected by the Township Board. Criteria for selection was based on technical skills, experience in construction and ability to make educated and impartial judgements.

These members served without compensation and were: Randy Thompson, Director Crawford County Housing Commission; Ed Rutkowski, former Building and Zoning Director for Crawford County; William Rutter, Sr., Grayling Window and Door Co.; and Leo Post, Grayling Township resident.

Q. Is a building project of this type, with financing unique?

A. Not at all. The Refuse Transfer Station was constructed in 1976-77 at a cost of \$53,000.00, financed over a 4 year period. It was paid off in 2 years, 2 years less than anticipated. As with this project, it was paid for with existing revenues at no increase in millage whatsoever.

Q. Have monthly payments, maintenance and utility costs been researched; and can the Township afford the project within the revenues generated by the one mill presently levied?

A. Yes. Grayling Township has consistently exercised a conservative approach to fiscal policy. We have saved for the projects we've undertaken, and in many cases retired our debts ahead of schedule while balancing our budget and maintaining or increasing our level of service. This project would not have been considered if it even remotely jeopardized the soundness of our fiscal policy.

Q. Will any additional services be provided as a result of the new building?

A. The new location will enable the Township to greatly expand the hours of operation for the refuse compactor at little if any additional cost. We project the compactor would be open any time the Township offices are open.

### Red Cross

(Continued from Page 1)

all Red Cross humanitarian services; and hardly known to exist by the County Sheriff and Civil Defense authorities, BUT, less than 10 hours after the tornado hit a Red Cross Disaster Relief Consultant, a Lady Volunteer, had arrived in Frederic and was erecting a sign on the Township Hall directing those who needed help to come to obtain Red Cross Disaster Relief!

The Sheriff's Office had notified the State Police of the tornado, they in turn had notified Lansing State Police Headquarters, Lansing had so informed the Disaster Chairman of the Michigan Red Cross Division Headquarters in Detroit. He verified the extent of the damage, realized that the Crawford County Chapter Volunteers were not sufficiently trained or experienced to handle such a disaster and at 5 a.m. awakened a Volunteer Disaster Consultant at Saginaw, and directed her to go at once to Frederic. Later in the morning they notified this Chapter to have someone at Frederic by 11 a.m. to assist her in dispensing Relief Orders.

Twenty six people had been taken to Mercy Hospital during the night but only four had to stay on, but by noon of that Saturday - ten hours after the Tornado first struck - orders were being issued on merchants of the victims choice for food, clothing and shelter. Over \$5000 worth of relief orders were issued in the name of Crawford County Chapter by late Sunday afternoon and the Chapter had less than \$500 in the bank! By the first thing Monday morning, however, Red Cross deposited sufficient funds in the Grayling State Bank to the Chapter's account to cover the orders.

Since those fateful days Crawford County Chapter has become able - both manpower wise and financially - to render full Red Cross Disaster Relief to national Red Cross standards to the victims of disaster in Crawford County.

The worst year was the winter of 79-80 when there were 13 burnouts in the county, only 2 of which were covered by insurance. Crawford County Chapter gave the victims of the 11 uninsured disasters almost \$5000 worth of food, clothing, shelter and medical assistance where needed. All paid out of funds contributed by the folks of Crawford County to sustain our Red Cross Chapter.

No other organization responds to disasters as American Red Cross does.

There is no other organized group of trained, experienced disaster specialists in feeding, housing and clothing disaster victims that compares with the competence of Red Cross Disaster Staff personnel and Volunteers Consultants.

Even Crawford County Chapter has a Disaster Vehicle - the gift of a leading citizen of our community and a great Good Neighbor of Red Cross - and it is an unusually designed house trailer that is ideal as a disaster vehicle.

It is equipped with all types of radio receiving and transmitting facilities - AM, FM, CB, Police Bands, etc., as well as scanners and a telephone. It is housed in a new shed affixed to the County Sheriff Dept. garage building and is available to the Sheriff's Dept. in any law and order situation, and/or to Civil Defense authorities, if it is not required for Red Cross operations in a Disaster situation.

It can, in an emergency, be used to transport injured people to hospitals and can hold 4 individuals on beds and 2 on stretchers. It is equipped with blankets and

basic first aid facilities.

The unit is maintained constantly by the twelve disaster trained Volunteers who comprise the six Disaster Teams of the Chapter. It is checked weekly to be sure all equipment is functioning, tire pressures are proper, batteries fully charged, fuel tanks full, etc.

In addition the Disaster Teams provide food and drink to the various Crawford County Volunteer Fire Departments when the fires are long duration and the weather is bad. In the winter time, particularly, the Disaster Vehicle is taken to the fire scene so the Volunteer Firemen can get warmed and refreshed inside, out of the elements.

For example, at the recent tragic phosphorous shell explosion accident at KP Lake, it was taken to the scene and for over 48 hours served as the communication headquarters for the Sheriff and a rest and feeding station for the dozens of Volunteers, Firemen, Deputy Sheriffs, Military and other personnel assigned to the very difficult clean up job required.

Yes, I think you must agree Red Cross Immediate Disaster Relief is a Vital humanitarian service - a service that Red Cross, and only Red Cross, renders to all the citizens of our great Nation.

I think you must also agree it is an insurance against calamity that no person dare do without!

Its cost, on a national level, is about \$50 million per year, and that \$50 million must be raised by Red Cross from contributions from the general public! For the Congress of the U.S. charged American Red Cross to perform this vital service but also to raise the money to accomplish it, as no Government tax funds were to be provided therefor.

About 25% of the funds raised by local Chapter is shared with the national organization to fund its operational expenses for Disaster Relief, SMP&V Service, Safety Training, etc.

If you have not been a financial supporter of Red Cross in the past, don't you think just Red Cross Disaster Relief service alone justifies a contribution?

If you didn't get a letter from this Chapter asking for a contribution, won't you please address an envelope to American Red Cross, RR 2, Box 2515, Grayling 49738 and send a check for the most you can?

If all you can afford is a dollar, that dollar will make you a member of American Red Cross, and you will become a Good Neighbor!

Please help this Chapter keep the vital humanitarian services functioning in our community!

Next week we will tell you about Red Cross Blood Services.

### THOUGHT FOR FOOD

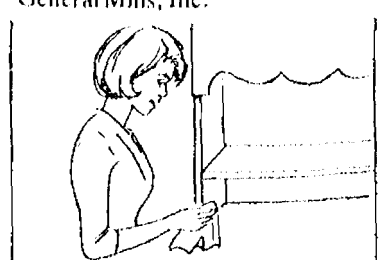

By GOULD CROOK

#### Ham Quiche Wedges

- 2 cups Bisquick baking mix
- 1/2 cup cold water
- 3 eggs, beaten
- 1 cup dairy sour cream
- 1 cup shredded Cheddar cheese (about 4 oz.)
- 1/2 cup sliced green onions
- 1/2 teaspoon onion salt
- 1 cup finely chopped, fully cooked, smoked ham

Heat oven to 425°. Grease 12-inch pizza pan. Mix baking mix and water until soft dough forms; beat vigorously 20 strokes. Gently smooth dough into ball on floured cloth-covered board. Knead 5 times. Press dough on bottom and up side of pan with floured hands. Bake 10 min. Mix eggs, sour cream, cheese, onions and onion salt; pour over crust. Sprinkle ham over egg mixture. Bake until set, about 25 min. Let stand 5 min. before cutting. 6 to 8 servings.

## From Our Corner ...

Spending the past weekend in Traverse City has put the ol' fella behind the eight ball for this week's turkey...it was a nice weekend...along with Toni, T.J., Stef, and John managing to get home for the weekend from New York City...and with Black Bart, the girls' watch dog present, the whole family was present...seems like every time we get over to T.C. something else is being built, pretty soon it's going to be a BIG city, right now it's not too far behind...they're building all over the place...

Following Saturday afternoon's football game between the Wolverines of Michigan and the Spartans of Michigan State we can still wear our Go Blue cap for another week...we really can't elaborate on the win...our boss, Mr. Millman, is a State grad, and we do not wish to get him angry at us...so we will drop any extolling right here...

We understand we have a teacher at the high school whose transportation has given out on him and has to hitch hike from the Lake to school each day so that he can make enough that he will be able to get new wheels...now what we wish to do here is alert anyone that is driving north on Old 27 in the morning or driving south in the afternoon, or driving the same distances in the evening, please stop and pick up my friend R.J., he really is harmless and a very fine gentleman if you get to know him...

Now that the federal government has named a day for Lief Erickson we can't say too much about Columbus Day except we can't figure out that the government proclaims it as a holiday for these working for the government...we have many great presidents since the founding of America that should have a day of recognition before someone that really didn't find what he was looking for...in our opinion the only attribution that Columbus said is that the world is round...so be it...being a Scandinavian it behooves us for having a holiday for good old Chris...when more are entitled to it...

This week, Grayling is going to experience something that is new to northern Michigan...the first windmill to produce electricity will be erected in the parking lot of the Chief Shoppenagons Motor Hotel...Theron White, owner of Chief Shoppenagons is having the windmill erected to help conserve energy for the hotel...Arnie Mauren, manager of the hotel says that the windmill will make a considerable savings to the energy the hotel has been using...a story by Jon Thompson on the new construction appears on page one, that is if you happened to pass it by...the Avalanche will have to wait until next week to get photos of the windmill due to our photo-press time...it's a first in upper Michigan, and we understand it will be about 120 ft. high...

Relating to the new windmill at the hotel, we went across the street Monday afternoon when the finishing touches were being made, and to our astonishment, we asked Arnie who was the one climbing the tower at the time, and to the very top, A.J., told us it was one of his waitresses...we couldn't believe it...Nancy Austin waits on tables in the Pioneer Room and serves us Orange pop when we come in...we inquired about her and we were told she has worked on similar towers in the Houghton Lake area...Nancy possibly weighs 90 pounds soaking wet and was doing something this ol' fella wouldn't even think about...a tip of the derby to Nancy for being 120 feet in the air without a parachute...

This takes care of this week's efforts...we're going to put this turkey to bed, and head for the wagon shed...so, to T.J., Stefany and Amber good-night, and to all our readers have a pleasant fall weekend...it's not too far away until all the rain we have had turns to the white stuff...

### The Steps To Faith Ignored by Israel

Romans 10:14-17

Paul now reverses the process to show us the steps leading from calling upon Jesus Christ for salvation, back to the very first act toward the giving of faith. Calling is impossible until one believes; believing is impossible until one has heard the truth, and hearing is impossible without a preacher or messenger from God to give out the gospel. "How then shall they call on him in whom they have not heard? And how shall they hear without a preacher?" Verse 14.

Now we shall notice that all of the above expression of human responsibility is a direct result of Divine election. God not only determined the elect, but also how they would be saved, by the willful acceptance of the gospel preached by command of God's servant. "And how shall they preach except they be sent? As it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things." God gave the great commission to the apostles to instill within the churches they founded. Every Christian is called of God to share the gospel of Jesus Christ. Because the gospel brings the goodness and peace of salvation to those who receive it, those who share the gospel have beautiful feet before God.

While salvation is all a gift of God, Israel's refusal to accept God's gift left them personally responsible for their unbelief and disobedience of God's Word. "But they have not all obeyed the gospel. For Esaias saith, Lord, who hath believed our report?"

Since Christian faith speaks of believing and obeying God's Word, it is impossible to speak of Christian faith apart from God's Word in the Bible. "So then faith cometh by hearing, and hearing by the word of God." Verse 17. "But

without faith it is impossible to please him." Hebrews 11:6a.

The Jews were trusting their infant circumcision for faith, just as many people today believe they were saved by their infant baptism. The Jews were trusting their family faith from Abraham, Isaac, and Jacob, just as people today point to the history of their family in a certain denomination. The Jews were trusting their religious leaders, the Pharisees, Sadducees and Scribes to give them direction instead of God's Holy prophets, apostles and preachers who gave them only the Bible. Today, people are following preachers who do not believe all 31,175 verses in the traditional Bible to be the very inerrant, infallible, authoritative Word of the living God without adding or subtracting a single verse. One's faith can be no more perfect than the Bible which gives him the faith. If one believes God failed to keep His inspired Word pure for a few centuries here on earth as He promised, then how could one trust the safety of his soul to such a God for all eternity? (adv.)

Pastor Barnett

# Century of Changes Told at Sheriff Dept.

(Editor's Note: The following article was published in a 1982 issue of the Sheriff's Star, a publication of the Michigan Sheriff's Association.)

Today it's Sheriff Joseph P. White. But over the last 20 years, White has answered to six different titles as his

service to Crawford County earned him promotions from deputy, to corporal, to sergeant, to lieutenant, to undersheriff, before he took the department helm in May 1980.

Like its current leader, the Crawford County Sheriff's Department has changed

over the years. So much so that Robert Ruddy, undersheriff, and Michael Johnson, jail administrator, decided to chronicle the department's century-long history.

The culmination of their two-year effort is a display in the department lobby - including photographs of most of the county's 21 sheriffs and numerous examples of their law enforcement paraphernalia, such as badges and handcuffs.

It all began in April 1879 when the Crawford County Board of Supervisors approved the first sheriff's bond and set the annual salary at \$400. Two months later, the board authorized Sheriff David London to "procure two pairs of handcuffs and one pair of shackles."

In July 1879, the board declared Grayling the county seat. But it wasn't until the fall of 1880 - a long, cold winter later - that the board approved purchase of a "round oak stove small in size" for use in jail.

One October morning in 1882, the board set the sheriff's annual salary at \$250. It then reconsidered the issue in the afternoon and raised the salary to \$300-\$100 less than what London made his first year in office.

Just two months later a new sheriff - John F. Huemlock - took office. Within a year, the board decided to give him 40 cents per day for janitor services in addition to his salary.

Jail conditions were a concern as early as 1884 in Crawford County. The board deemed that they were "entirely inadequate...because of insufficient ventilation and sewerage and because of the entire lack of facilities for confining male prisoners, female prisoners and children in separate apartments according to the express command of law."

The board put the issue before the voters, asking for "\$8,000 payable in four annual payments...with interest at 7 percent per annum for the purpose of erecting a suitable and legal jail and sheriff's residence."

Not only does it function as the county's main law enforcement agency, but it provides police services for Camp Grayling, a small, self-contained community with an annual population of more than 30,000.

In looking over the department's employee roster, it appears that law enforcement "runs in the family." Sgt. Jimmy Parker and dispatcher Gail Parker are great-grandchildren of David London, the county's first sheriff.

Also, Johnson is a descendant of George F. Owen, sheriff from 1899 to 1902. Arthur Wakeley, a former deputy, is the great-great-grandson of Thomas Wakeley, sheriff from 1891 to 1894. Deputy Arthur Clough is the son of Arthur F. Clough, sheriff from 1961 to 1972.

## Girls Top Cheboygan, 46-38, Edged by Gaylord 57-56

With a six-point lead, possession of the ball, and only a minute and 13 seconds to go, Grayling had their third straight league victory wrapped up. But someone forgot to tell Gaylord.

The Blue Devils worked evil magic on the Vikings with a fierce press and scored seven points to win 57-56 last Thursday. Earlier in the week, Grayling beat Cheboygan 46-38 on Cheboygan's court for their second straight league win. The Gaylord loss dropped Grayling's record to 2-2 for Michigan Huron Shores Conference play.

The Vikings were hurt again on the free throw line as Gaylord had 20 more charity opportunities hitting 18/35 to Grayling's 12/15. Head coach Tom Mills said most of Grayling's fouls occurred in the fourth quarter.

Kris Laudenslager led the way for the green and white scoring 17 points against Gaylord. Heidi Bendig scored a dozen, Karyn Reynolds added 8, Celina Pshenroder 6, Jenny Riker 6, Stacey Wolcott 3, Joyce Stevens 2, and Shelly Trenary 2.

Against Cheboygan, Bendig again scored a dozen points leading Grayling. Laudenslager led a fine rebounding team effort grabbing 24 rebounds. She also put in 11 points.

Reynolds scored 9, Wolcott 7, Eshenroder 4, Riker 2, and Stevens 1.

Mills said Grayling played an excellent heads-up game against Cheboygan maintaining a 7-8 point lead throughout the game.

The J.V. squad suffered their first defeat of the year at Cheboygan but came back to wallop Gaylord 58-29 to move their record to 8-1 for the year. Both Varsity and J.V. play St. Ignace there Thursday. They played Charlevoix at home Tuesday.

## ABWA Fashion Show

**ABWA FASHION SHOW**—Dr. Carolyn DiPonio, cosmetologist, and Mary Kelly, owner of the Scrub Bo. salon, check over some of the new fashions to be shown at the ABWA Fashion Show on October 28th.

When you've got a big job to do - give it to a busy person. Carolyn DiPonio and Mary Kelly prove the old adage true as co-chairpersons for this year's annual ABWA Fall Fashion Show to be held at Scheys Country House on Thursday evening, October 28th.

Carolyn is chairperson of the ABWA Ways and Means committee that raises funds for the four yearly scholarships given by the organization. However, all members of her committee contribute time and energy. Other members working hard are Marti Reichelderfer, Pam Hull, Pam Spencer, Cathy Prause, Darlene Fenn, Janet Raymond, Pat Best, Carol Ralph, Joyce Bourrie, Marlene Ritter and Ernestine Church.

Tickets are available from all these people as well as any ABWA member. This year's fashion show stresses clothes for the business woman - from dawn to dusk - at work - play - or just relaxing.

About the time this committee wraps up the fashion show they will begin work again on the hunters dinner - something new for ABWA - to be held at the Bear Lake Township Hall in Kalkaska County on the first Saturday of deer season. Bonnie and Gerrie Donnelly - ABWA members - will be organizing the dinner - with the combined help of all the members of the Grayling chapter. Bonnie was 1981 ABWA Woman of the Year, and Gerrie has a catering business in Kalkaska county.

## Opposition Surfaces on Due-On-Sale Proposal

Warren M. Hoyt, Executive Director, MPA

The Michigan State Chamber of Commerce and groups representing home sellers, builders and lenders have opened a campaign against a proposal to ban due-on-sale clauses in mortgages.

But the chairperson of the campaign committee said the effort will not be so much directed to the issue of the clauses - which is popular among home buyers able to assume low-interest mortgages - as it will be against other features of Proposal C, particularly an extension of the redemption period on mortgage foreclosures.

Sharon Kellogg, a Lansing realtor, said extending the redemption period for all types of loans, to 48 months from 6 months "will put up a credit wall around Michigan."

She said out-of-state lenders will not want to invest money in Michigan under that kind of restriction.

The proposal would extend the redemption to 48 months only if a court overturns the ban on due-on-sale and when foreclosure is then based on the due-on-sale clause and the lender has not shown the new buyer is a greater credit risk.

Kellogg said the long-range impact of the proposal would hurt homeowners and buyers because of the likelihood of boarded up homes during the redemption time.

Lenders would be hurt because they cannot collect any money during that time, she added.

Besides the chamber, the Committee to Save Michigan Homeowners is backed by the Michigan Association of Realtors, the Michigan Home Builders Association and the Michigan Savings and Loan Association and the Michigan Bankers Association.

Mortgage holders began trying to enforce due-on-sale clauses as in-

terest rates skyrocketed and they were left holding old low-interest contracts assumed by new buyers.

But Sandy Eichenhorn of the Consumers Committee to Protect Mortgage Rates, who led the petition drive to place the initiative on the ballot, denied the proposal would cause credit markets to dry up, saying lenders would be protected by the provision against transfers of property when the lender's security interest would be impaired.

She said homes are not selling well, in part, because of lender abuse of due-on-sale clauses.

**Rail Subsidies Approved By Transportation Commission**  
The Transportation Commission has approved one-year subsidies for Michigan's two major rail freight lines.

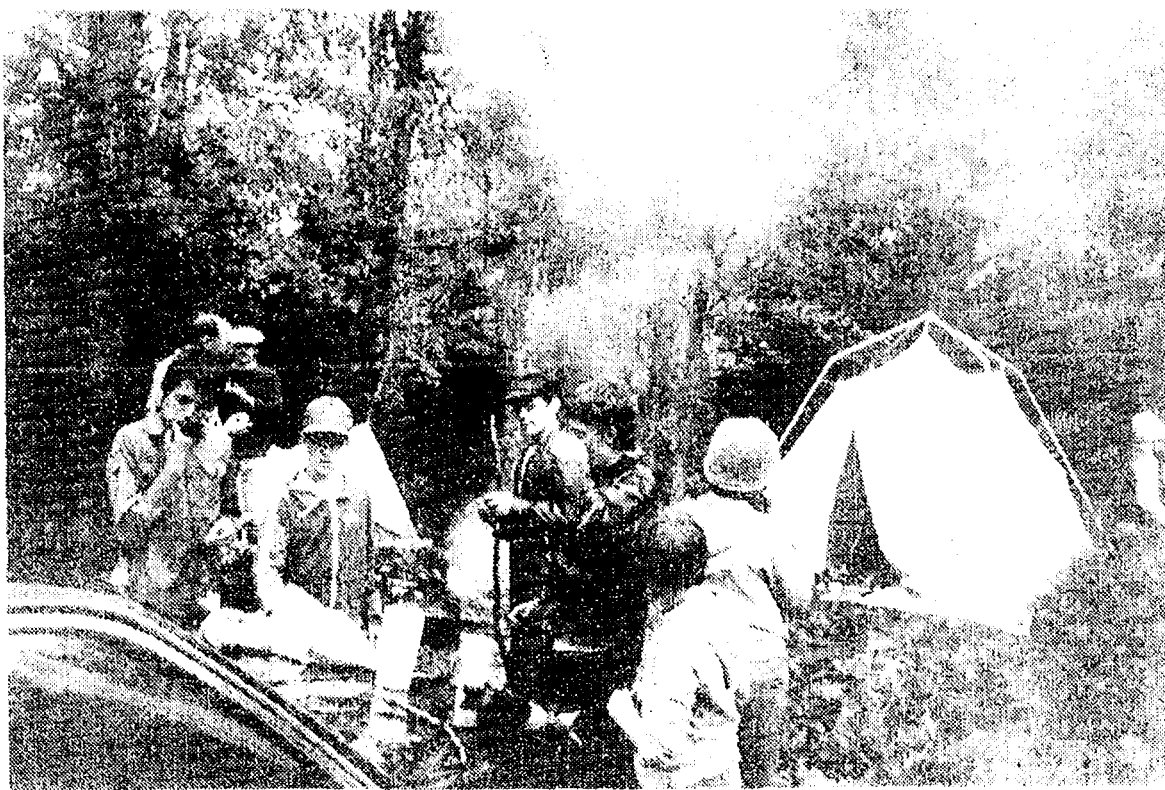

The commission's contract for the state's primary rail line, the Ann Arbor, went to the Cadillac-based Michigan Northern Rail Company and the Tuscola Saginaw Bay Railway, as recommended by the state Department of Transportation.

The 270,000 contract for at least twice weekly service from Ann Arbor to Frankfort was favored over a proposal by Michigan Interstate and the Kent, Barry and Eaton Railway.

Michigan Interstate has operated the line for several years, but is engaged in a dispute with the state over the amount of the subsidy and had signed an agreement with KBE for operation of the line north of Ann Arbor.

The approved subsidy for the line compares to \$3.4 million contract to operate the 251-mile Comstock-Petoskey line (including a Traverse City Branch).

Last year's subsidy was \$1.4 million.

**ORDER OF THE ARROW**—Four members from Scout troop #997 attended the Order of the Arrow fall fellowship on September 10-12th at the Bear Lake Scout Camp.

Terry Lugviel, Wayne Schoonover and Loren Goodale were previously inducted into the order and Ron Bancroft was inducted that weekend.

On Sept. 24th-26th nine scouts from troop #997 went to the fall camporee in Hale. The boys spent the weekend on several training competition sessions. The scouts came in first place on problem solving and fifth place overall.

## Local Hams In Simulated Emergency Test

On Oct. 16, the Amateur Radio operators in Montmorency, Oscoda, Crawford and Otsego counties, like thousands of other hams elsewhere, will participate in a simulated emergency test. This is an annual exercise sponsored by the A.R.R.L.

This exercise will test the capabilities of the area hams in cooperation with the various agencies to augment the normal communications now in effect.

On Saturday, Oct. 16, a severe ice storm will hit the four counties. This storm with the high winds will disrupt telephone lines, block roads, etc.

When the imaginary disaster hits Saturday, the local volunteer hams will activate their base, mobile and portable stations to relay messages to and from the affected areas through the amateur network. These "test" messages will be transmitted locally, statewide or interstate to obtain any help or assistance that might be needed in the disaster area.

These exercises also give the hams an opportunity to improve their skills and devote some of their time to public service.

## BPW Meet

The Grayling Business and Professional Women's Club met for their regular meeting on Oct. 7th at the Holiday Inn, with three guests.

The President, Judy Craft, opened the meeting and turned it over to the program chairman, Carole Hallett. She introduced Bob Cole from Flowers by Josie and he told us how to care for our house plants.

The Grayling club will host the District Meeting of the area clubs on October 17th.

On October 24th the club will sponsor a "theater in the round". This will be held at the Holiday Inn. The play is entitled "Star Spangled Girl". Tickets are \$5.00 and any member of the club has some, as well as the Chamber of Commerce and the Holiday Inn.

The club will hold a coffee time for older citizens sometime in December.

All of our members are busy working on the Crawford County Community Service projects.

Beatrice P. Berry, Publicity Chairman

CERTIFIED INSTRUCTOR

**RENEWED INDUSTRIAL PARK STATUS**—Ray Schwemin, regional coordinator for the certified industrial park program hands Mayor Sandy Thompson and City Manager Jerry Morford a certificate indicating the Grayling Industrial Park has met standards for another three years.

## Industrial Park Status Renewed

The Grayling Industrial Park has received the State of Michigan's Certified Industrial Park (CIP) status for another three years. The CIP program is a joint venture by the Michigan Dept. of Commerce and the Michigan Industrial Developers Association (MIDA) to establish a set of minimum standards to help industry

evaluate new plant sites.

Michigan was the first state to initiate such a program and those industrial parks which are state certified become part of the marketing efforts to attract industry to Michigan by the Dept. of Commerce.

The CIP's are reviewed every three years to ensure that the quality of the certified parks is maintained. The recertification process involves an on site inspection tour by two members from MIDA and submission of essential site documentation to the Dept. of Commerce.

The CIP designation is evidence to a developer that the available acreage within the park has already met the following minimum standards: 40 acres, industrially zoned; water, sewer, and utilities are in place; all weather road, highway access; and a set of protective covenants to ensure compatible uses and neighbors within the park. These elements being in place eliminate the lengthy hassle of applying for re-zoning, installation of utilities, and road construction.

## Notice of Public Hearing on Increasing Property Taxes

### The Township Board of the Township of Lovells

Will hold a public hearing on a proposed increase of .24347 mills in the operating tax millage rate to be levied in 1982.

The hearing will be held on Friday, October 22, 1982 at 7:00 o'clock in the P.M. at Lovells Township Hall.

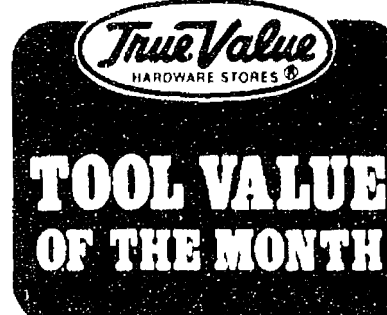

If adopted, the proposed additional millage will increase operating revenues from ad valorem property taxes 5.1% over such revenues generated by levies permitted without holding a hearing.

The taxing unit publishing this notice, and identified below, has complete authority to establish the number of mills to be levied from within its authorized millage rate.

The above notice should not be construed as a tax increase. This is merely an adjustment due to new laws mandated by the State and therefore should not reflect any increases to the individual over the State Equalized Value of your assessment.

## NOW THAT JACK IS DEAD BECKY HAS SOME BIG DECISIONS.

The death of someone we love can change our lives drastically. The house may be too large, we may have a sudden loss of income, we may have to raise the children alone. Adjustment to these changes may force us to make major decisions at a time when we are already distressed emotionally and least able to make good decisions. We may feel rushed to make decisions simply to avoid memories. Good decision making requires that you take time, have all the facts before you and be rational not emotional. If you or a friend are faced with major decisions because of a death in your family we urge you to take time, get good information and wait until your emotions have subsided.

## Alumni News

The Annual G.H.S. Alumni Homecoming, on October 2, was a most enjoyable evening at Scheys Country House. The tables were decorated with colored leaves and cedar, a theme to match the beautiful Fall weekend. Reception started at 5:30 p.m. as Classmates identified each other. We had a span of years from 1917 to 1972. A tasty Buffet Dinner was served at 7 p.m., after which the program was in the hands of our capable MC, George Granger, who welcomed Alumni and Guests. He recognized the Anniversary years, beginning with his brother, Howard Granger, Class of '17, who was our oldest Alumnus present...Vella Herman Hill and Beatrice Austin Rogers, Class of '22...The Golden Years Class of '32...Brad Jarmin, Forrest Annis, Florence Kellogg Loftus, Harry Weiss, Marie Brown Post, Irene Randolph Stephan, Bill Harrison... Class of '37, Marguerite Feldhauser Stark, Evelyn Skingley Gardiner, Virginia Skingley Millikin, Bill Joseph... From the Reunion of the Class of '42, we had received

a contribution to the Scholarship Fund in memory of classmate, Bill Sorenson and Class Advisor Cecil Roberts (Many Thanks) Present from this class, Fay Christenson Bovee...

Class of '47, Harry Miller, Rose Bishaw Duley, Jean Rasmussen Potter, Philip Keway, Lois Winston Palmer, Iris Madsen Corr, Phyllis Newell Stensrud, Nancy Cox Hoffman and guest Barbara Simpson Benjamin, former classmate... Our other Honoree, Les Goss was unable to attend with his class...

Class of '52, Tom Hilton... Silver Anniversary Class of '57, Bob Strong, Mickey Mikesell Strong, Billy Martin, Sandra SanCartier Martin, Jean Smith Wilson, Judy Sorenson, Tony Doremire, Beth Koerber Lucksted, Claudette Long Elzinga, Aubrey Welch, Shirley Malloy Luter, Gary Leslie, Nancy Reava Phillips, David Lowe, Sally Minnear Borusch, Ron Schofield, Carolyn Barker Townsend, Deanne Herrick Weiss, Marie Morgan Loisele, Kay LaMotte Morrill, Bob Houghton... Class Advisor, Bob Bovee...

Class of '72, Ernest Balch. And then...The Basketball Team of '57...present, Bob Strong, Billy Martin, Tony Doremire, David Lowe, Aubrey Welch, Gary Leslie, and Coach Bruce Smith...Cheerleaders, Judy Sorenson, Diana Blaine Doremire.

A special tribute to a "First" was to have a Mother, Marie Post observing her 50th and her daughter, Deanne Weiss, observing her 25th. Another, was Marguerite Stark, observing her 35th and her son, Gary Leslie, his 25th...

We had a great group of We had a great group of GHS Teachers with us, Alice Joe Stripe, Peg Milnes, Jean Peterson Gothro, '35, Elmer Fenton, '29, Marie LaMotte Akers, '38, Katherine Funck, Bruce Smith, Fay and Bob Bovee, Carl Hatfield, Vella Hill, '22, Billy Kinkert, '50, Jane Larson, Mary Joseph Knibbs, '40.

Teachers are the reason we are Alumni...We appreciate them...It was my privilege to introduce our Honor Guest, Bernice Corwin Hilton, '26. She was chosen for her dedicated 35 years of service to our Community-in Nursing. We are proud to name her as one of us. Bernice received a Red Rose as a momento from us...With her was her husband, George and her son, Tom, '52 and his wife, Debbie, some Corwin cousins and classmates of '26...We sang "Happy Anniversary" to Bernice and George who were married in October, 1932...

To close the program, we sang our theme song, "Grayling Will Shine". It is possible that this School song was sung for the last time in '57. I associate this with Charlie Hill, our Teacher-Cheerleader in the 30's...How he loved to sing...and so did we! I wonder what has happened to this happy singing at games?

Doug Peterson, our Organist, played for dancing to complete the evening.

Next week we will name our Committee and out-of-town Alumni.

Clara Sorenson  
Membership Secretary

## Co-Op Nursery

Grayling Co-Op Nursery announces its waiting list for 3-4 yr. olds for the 1982-83 school yr.

Although the classes are now filled, names are being accepted for a waiting list on a first come, first serve basis should a vacancy occur.

If you are interested, or have any questions please call Janet Gilman at 348-5547.

## Cheerleader's Name Omitted

The name of Jodie Christman, a member of the Grayling High School cheerleading squad, was left out beneath two pictures of the varsity squad published in the Avalanche. Although not present for the squad picture, Jodie, a sophomore at GHS, has been cheering the Viking football team on from the sidelines as varsity cheerleader.

## Travel-Lecture Series at H. L.

The Houghton Lake Travel/Adventure Film and Lecture Series begins October 21st in the auditorium of the Houghton Lake High School.

Roderick M. Martin, Houghton Lake High School English instructor, is responsible for bringing this series to the community.

"Many people over the past several years have asked me about the possibilities of bringing a high quality series to our community such as this one. It wasn't easy to find out of this caliber but after much looking one was found, said Martin.

The series will feature the following programs:

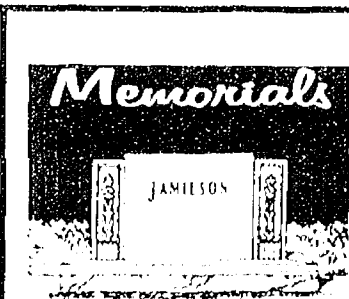

October 21: "Life in Austria" narrated live by Ken Lawrence.

Nov. 18: "Greece and The Aegean Sea," narrated live by Ted Bumiller.

Dec. 12: "China and Her People," narrated live by Willis Moore.

Feb. 3, 1983: "A Grand Tour of Northern Europe," narrated live by Franklyn Carney.

Tickets cost \$3 at the door, \$12 for all five shows. Senior Citizens pay only \$2.50. More information can be had by calling Houghton Lake High School (366-5376).

The selection of a memorial is a most important decision because it is a permanent tribute of love and respect to the memory of departed ones.

We offer sincere counsel, years of experience and the finest memorials produced anywhere.

## Marriage Announced

Mr. and Mrs. Edward Murphy of Roscommon announce the marriage of their daughter, Jerri Lynn Marie to Carl W. Stieler of East Tawas.

They were married on Sept. 11th, by the bride's aunt, Magistrate Dawn Murphy, also of Roscommon.

Miss Cathy Mead of Roscommon served as maid of honor and Joseph Murphy of Roscommon, brother of the bride served as best man.

A small family gathering was held at the home of the bride's parents immediate following.

The new Mrs. Stieler is the granddaughter of Mrs. Della Simpson of Grayling and Mrs. Helen Murphy of Roscommon. The newlyweds reside at Higgins Lake.

## BPW News

The Business and Professional Women of Grayling will be sponsoring "Star-Spangled Girl" by Neil Simon and put on by the Woodland Touring Theatre Company on Sunday, October 24, 1982 at the Grayling Holiday Inn. Doors will open at 6:30 with show time at 7:00 p.m. Tickets are \$5.00, with the proceeds going toward the Business and Professional Womens Christmas project. Tickets are available at the Grayling Regional Chamber of Commerce and The Grayling Holiday Inn.

You will enjoy the three players and the characters they portray. This fast moving, hilarious comedy deals with two earnest young men struggling to put out a "protest" magazine, and the all-American girl who moves next door and manages to send both of them into a romantic tailspin.

The Woodland Touring Theatre Company is a semi-professional touring theatre company established by three northern Michigan residents to bring high quality, top-drawer entertainment to Northern Michigan.

## Sibs for Kids

**Fall Recruiting for Big Brothers**

Fall is a beautiful time of the year - football games, getting out in the fresh outdoors to hike or hunt. Even time to get in a little fall fishing, or get that supply of wood in for winter.

Wouldn't you like to make that time even more meaningful by sharing it with a young boy? We have many boys who, are fatherless, who really need to have a friend to spend some time with.

Time spent does not have to "take" time from what you would normally be doing, it only needs to be time to "include" a young man in your activities.

Be that "one in a hundred" who goes the extra mile. Call today 348-2841 ext. 262 or stop by the office on West M-72.

Please save Glen's save-a-share slips for Sibs for Kids you can leave them off at the office.

## Sweet Notes

The Mid-Mitten Chapter of Sweet Adelines are a wild bunch of gals! Now that I have your attention, let me tell you how much fun it is singing in four part harmony, barbershop style.

First of all, Barbershop is an original American way of singing. This makes it very special, and it really did begin in the backroom of a barbershop.

Today, it is being sung all over our Country, as well as, in Canada, England, Sweden, Germany, Panama Canal Zone and now even in Japan. Can you imagine all those accents?

Sweet Adeline membership is over 30,000 strong and growing.

We have Regional and International contests for quartets and choruses. These events are exciting and a great amount of fun. There may be as many as 8,000 women ringing a chord in a mass sing at an International convention. It's a thrill of a life time.

Can you carry a tune? Do you love to sing? Then come visit us every Tuesday evening at the United Methodist Church in Houghton Lake Heights, 7:30 p.m. This could be the most rewarding thing you have ever done in your life!

## Masons—K of C To Meet

The Grayling Lodge No. 356 F&AM will host the Grayling Knights of Columbus on Thursday evening, October 14th. Dinner will be at 6:30, with a program by James S. Bergland following.

All Masons and K of C members are urged to attend.

## Completes A.F. Training

Airman John L. Gardiner, son of Jean A. Gardiner of Grayling, has completed Air Force basic training at Lackland Air Force Base, Texas.

Completion of this training earned the individual credits toward an associate degree in applied science through the Community College of the Air Force.

Gardiner is a 1982 graduate of Grayling High School.

## Editor's Mailbox

To the Commissioners and Citizens of Crawford County,

The tax meeting of October 5, with the County Commissioners was a complete sham. Many people had driven miles to attend and were not even allowed the right or courtesy to speak. After one hour, the meeting was abruptly adjourned by the chairperson. There was not even a motion to adjourn. Of 40 to 50 people attending, most felt angry that the commissioners were unwilling to listen to their testimonies and that the whole commission was abusive and unresponsive.

From what I saw and heard, I can understand why people don't trust elected officials and have a very low opinion of government in general. And you know what? They're right!!!

John Medler

**Notice of Mortgage Foreclosure Sale**

Default having been made in the conditions of a certain mortgage made the 26th day of February, 1976, by Floyd L. Argue and Frances A. Argue, his wife, as mortgagors, to the United States of America, as mortgagee, and recorded on March 1, 1976, in the office of the Register of Deeds for Crawford County, Michigan in Liber 150 of mortgages on pages 569-572; on which mortgage there is claimed to be due and unpaid at the date of this Notice fifteen thousand, eighty-eight and 06/100 dollars (\$15,088.06) principal and seven hundred, twenty-six and 06/100 dollars (\$726.06) interest, no suit or proceeding at law or in equity having been instituted to recover the debt, or any part of the debt, secured by said mortgage, and the power of sale contained in said mortgage having become operative by reason of such default.

NOW, THEREFORE, Notice is Hereby Given that on November 17, 1982, at 10 o'clock in the forenoon, at the front steps (east side) of the Courthouse in Grayling, Michigan, that being the place for holding the Circuit Court for the County of Crawford, there will be offered for sale and sold to the highest bidder, at public sale, for the purpose of satisfying the amounts due and unpaid upon said mortgage, together with the legal costs and charges of sale provided by law and in said mortgage, the lands and premises in said mortgage mentioned and described, as follows, to-wit:

That property located in Crawford County, in the State of Michigan. Situated in the Township of Grayling, Crawford County, Michigan, described as: Being parts of Lots 17, 18, and 19 of Block 8 of the Fifth Addition to Portage Lake Park, lying Southwesterly of Highway M-72 and also a part of Block 9 of the Fifth Addition to Portage Lake Park described as: Being all that part of Evergreen Street lying between Blocks 8 and 9 and West of the Southern right of way, boundary line of M-72 to the Western line of adjoining lot 17, in Block 8, if extended South across Evergreen Street to the Northern Boundary of Block 9. Also lots 30 and 34, inclusive of Block 9, Fifth Addition to Portage Lake Park, according to the plat thereof as recorded in Liber 1 of Plats, page 24, Crawford County Records, all in Section 9, Town 26 North, Range 4 West.

The redemption period will be six months from the time of such sale. Property may be redeemed by paying the amount of the bid at the foreclosure sale plus 3% interest and any unpaid encumbrances on the property from date of sale.

Dated: October 6, 1982.  
Mr. Edward A. Hoffman, Regional Attorney, United States Department of Agriculture, Room 2920, 230 South Dearborn Street, Chicago, Illinois 60604, Attorney for Mortgagee.

## Women's Aglow

The Women's Aglow Fellowship of Grayling cordially invites you to attend their first anniversary meeting on Saturday, Oct. 16. Coffee and rolls will be served at 9:30 a.m., with the meeting starting at 10 a.m. and going until Noon at the St. Mary's Family Center, 709 Spruce St., in Grayling.

Our speaker this month will be Grayling's Aglow President, Maggie Priestap. We feel her message will bring a special blessing to the ladies of our community.

Aglow is a world-wide, interdenominational organization of Christian women, and all are welcome to attend. For more information, please contact Agnes Trudgeon at 348-2965.

## Pathfinders at Camp AuSable

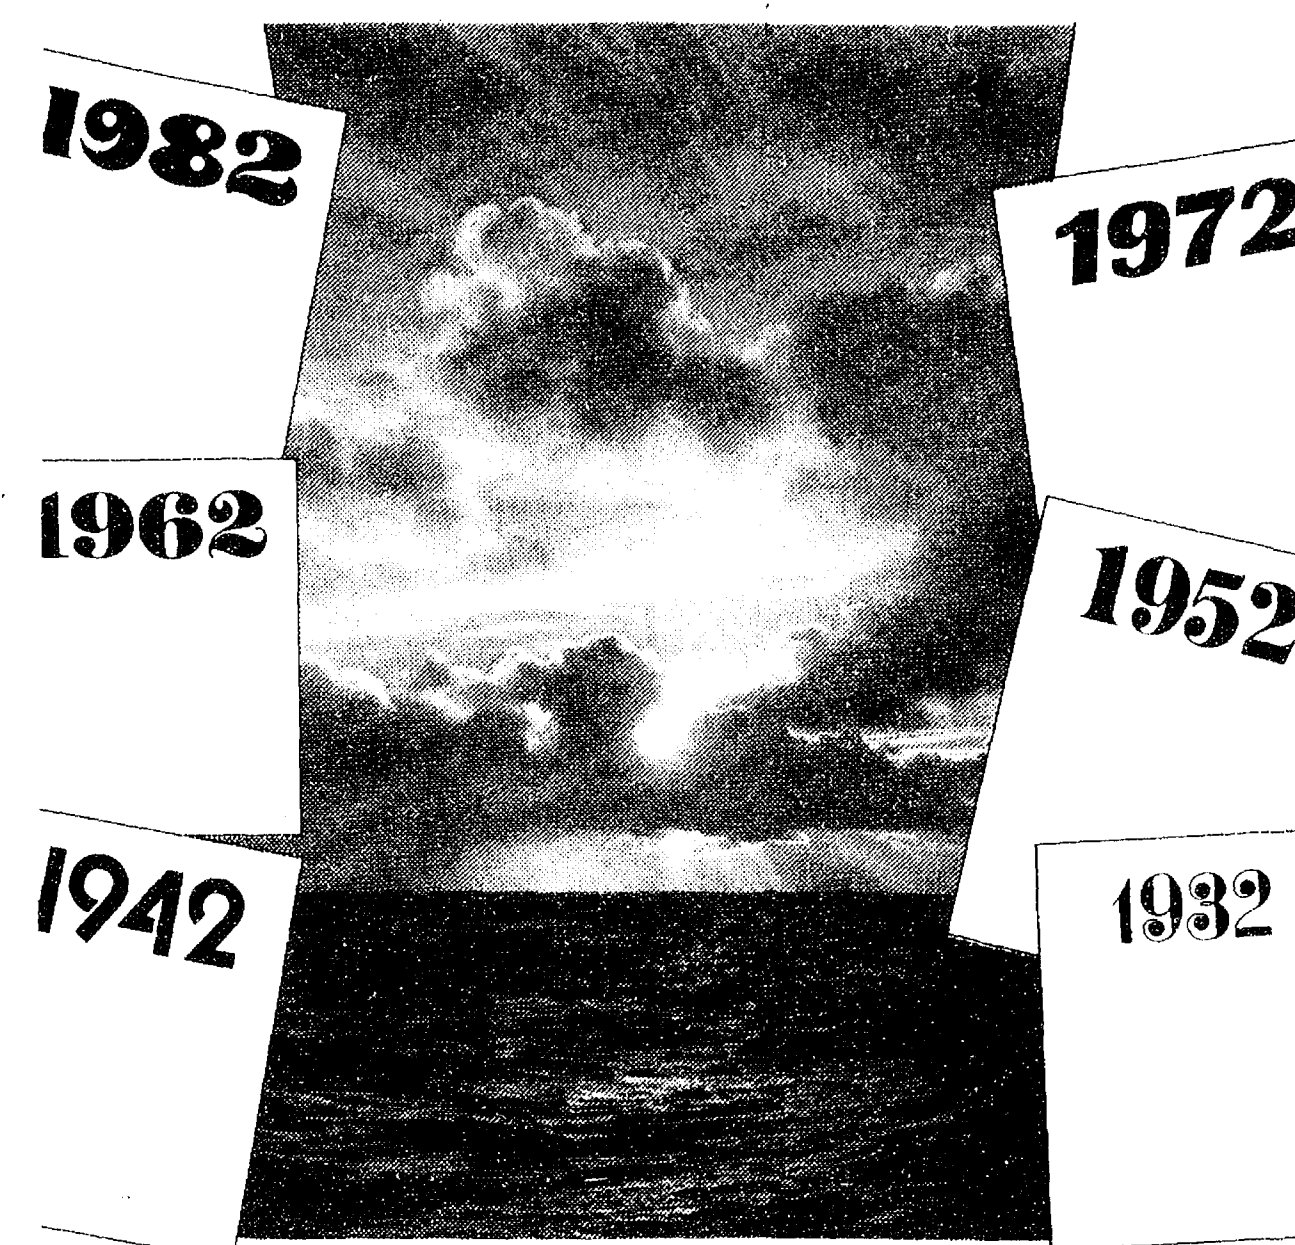

865 youth from 42 Pathfinder clubs throughout Michigan converged at Camp AuSable and set up their tents of various sizes, shapes, and colors, spending the weekend at the Seventh-day Adventist youth camp near Grayling. It was the second and most recent of two state-wide camporees.

Rains failed to dampen the spirits of these enthusiastic 10 to 15 year old boys & girls, plus adults & older youth serving as directors, counselors & chaperones. Their first scheduled campfire prevented by waters from on high, the lively ones, surging to the camp barn, climbed atop bales of hay, scampered up ladders to perch in the lofts & on rafters. Many sat on the hay-covered floor. Clearer weather the next day permitted outdoor Bible class (Sabbath school) at the campfire site on the southern shore of Lake Shellenbarger. But chilling winds, blowing across the lake, drove the worship service & remaining programs into the camps tepee & totem poled Indian Village.

Sunday's sunshine came and the fresh air fiends flocked to the camp's athletic field for competitive field events. Capping the weekend's activities was the traditional "Tug-of-War." Making it to the "Tugs" finals were 12 Pathfinders, 6 boys & girls, from 3 smaller clubs - Grayling, Gaylord & Houghton Lake, teamed together & pulling against a dozen from Detroit's Oakwood Pathfinders. No easy "pull-over" was Detroit Oakwood. But the 12 tuggers from the Northland out-pulled the city slickers to win the event. Detroit Oakwood were good losers. They really made our youth work to win," declared Mrs. Marion Stecker, director of the Gaylord & Houghton Lake clubs, new & just organizing. To which Mrs. Linda Johnson, director of the Grayling Pathfinders, the AuSable Canoeers agreed.

Round Robin participants from Grayling were Tim Stecker, "D.J." Piehl, Tom Gillet, Dennis VanAntwerp, & Tracy Moon. Pathfinders attending the camporee from Grayling were Tim Stecker, "D.J." Piehl, Angie Piehl, Tricia Piehl, Tracy Moon, Jimmy Johnson, Robbie Williams, Bill Burdau, Richie VanAntwerp, Dennis VanAntwerp, Tom Gillet, Diane VanAntwerp, Jamie Black, & Tom VanAntwerp.

## Attend the Church of Your Choice

## The Most Important Day Of Your Life

Your yesterdays are important, for it is through the past that you have built the present.

If we are happy with our present state of affairs, we know that we have learned some of the lessons of yesteryear. But it is unfortunate that very few people are happy with their today's, the present.

We can change all that. We can learn that it is today that builds our tomorrow, and the day after that, and the day after that. It is in worship that we start—where we can learn to build our happy tomorrow.

## Justice Moody Seeks Re-election

Editor's Quote Book

The world has narrowed into a neighborhood before it has broadened into a brotherhood.  
Lyndon B. Johnson

Michigan Supreme Court Justice Blair Moody Jr., elected to the court in 1976, is seeking re-election in November to the non-partisan post.

Moody, known in northern Michigan for his written court opinions that stopped oil drilling in the Pigeon River Country State Forest, visited Grayling last week in a campaign swing through the northern lower peninsula.

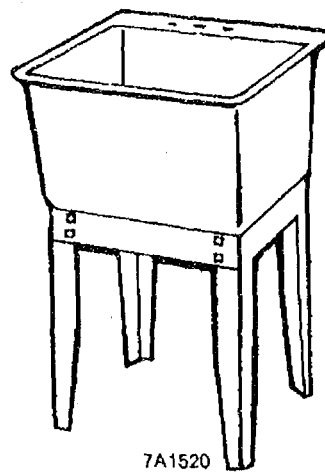

Besides his work with the Pigeon River Forest, he has adopted federal regulations for obscenity, upheld the rights of workers during lengthy appeals for compensation, and he declared the lieutenant governor may cast a tie-breaking vote on legislation.

Moody, who said he will continue to work to speed the court's decisions, was a Wayne County Judge for 11 years and also spent 13 years in private practice. He is the son of the late Blair Moody, a U.S. senator and national news commentator.
